

COBURN'S CONNECT

APP SETUP GUIDE

STEP 1

DOWNLOAD THE APP

- Go to the **App Store** on your phone or tablet.
- Search for **Coburn Supply**, and download the most current version of **Coburn's Connect**.

STEP 2

LOG IN

Already Registered?

- Your username & password will be the same as your Coburns.com login.
- If you have forgotten your password, tap **Reset Password**.

Need to Register?

- Tap **Create Account**.

Important! To connect your Coburn's Account # to your Web Account, you can use the tile called 'Connect Your Account.' Connecting your account # will allow full web access once it is approved.

We encourage you to allow notifications for this app.

STEP 3

PROFILE & PREFERENCES

- Tap on **Menu** in the top left-hand corner of the screen.
- Then, tap **Profile > Edit**.
- Under **PROFILE**, add your cell phone number and any additional information.
- Under **ALERT PREFERENCES**, switch on Email Alerts & Phone Alerts to receive messages from Coburn Supply.
- Click on **Done**.

STEP 4

GROUPS

- While in your **Profile**, go all the way to the bottom and tap **Add yourself to group(s)**.
- Tap on the groups you are interested in and they will appear as tiles on the main page.
- These group tiles may link to additional information such as warranties, specials, etc.

COBURN'S CONNECT

APP FEATURES

MY ACCOUNT

MY ACCOUNT

If you connected your web account to your Coburn's account #, you will have access to your full account information.

This includes open orders, payment history, invoice summary, making payments on your account, etc.

LOCATIONS

LOCATIONS

If you allowed the app to use your location services, this tile will show you a list of Coburn's locations near you.

- View the locations on a map by tapping on **Map** in the top right-hand corner of the screen.
- Tap on a location to get more information.
- You can also search by Zip Code.

REPLENISHMENT ORDERING

REPLENISHMENT ORDERING

This program is designed to allow users to quickly scan barcodes or add products from order templates as needed.

These products are held in a queue & turned into a Coburn's Order on the designated date/time determined between the customer and their local Coburn's location.

SHOPPING & ORDERING

SCAN TO PRICE CHECK

Scan Barcode

Some products can be accessed by scanning the UPC code.

Check a product's price & get more information, or add the product directly to your cart.

SCAN TO CART

Search for Product

Search for products by Coburn's product number, keyword or manufacturer part number.

PRODUCT SEARCH

SHOP BY DEPARTMENT

Shop Our Departments

Narrow down your search and view products by category.

SHOPPING CART

Shopping Cart

View all products in your cart, make changes and get a subtotal before proceeding to checkout.

ORDER TEMPLATES

Order Template

View existing order templates, add products or make a new one.

Order Templates are used for quick ordering or checking price & quantity for items purchased on a regular basis.

RESOURCE LINKS

ADDITIONAL INFORMATION

Resources & Links

A collection of helpful links and informative pages.
