Hearthlight Kits (Available for Propane or Natural Gas)

Log Lighter Kits & Valves (Available for Propane or Natural Gas)

Hearthlight Log Lighter Kits

BASE MODEL	DESCRIPTION
258KBCLD	Log Lighter Valve Kit, Straight
259KBCLD	Log Lighter Valve Kit, Angled
258KLPBCLD	Propane Gas Log Lighter, Straight Valve Kit
259KLPBCLD	Propane Gas Log Lighter, Angled Valve Kit
258KPB	Log Lighter Valve Kit, Polished Brass

The Arrowhead Brass HearthLight Log Lighter kits come with our Log Lighter Valve with adjustable Chrome Plated Flange, 2-1/4" Loose Key and our 12" Heavy Duty Cast Iron Log Lighter Bar with ledged design to eliminate falling ashes from blocking the orifices. Each bar has three 1/2" IPS inlets to fit most applications. CSA listed in the US and Canada. IAPMO listed.
