

Vent Termination Kits

Concentric vents and termination kits allow both intake for combustion air and the exhaust vent to pass through a standard roof or sidewall. This makes it easier to have a two-pipe installation for high efficiency furnaces. These vents simplify installation and only require one hole through the wall or roof where the pipes terminate. Without using these vents, the installation would require cutting two holes through the home, one for each pipe. These vents save time and money by reducing the amount of work required.

Horizontal vent kits for use in venting high efficiency fossil fuel appliances. The low profile kit hides the vent from view.

All Fittings included

DiversiTech's CVENT series concentric vent kit includes all fittings a contractor will need to install the vent. No additional fittings for outside connections are needed. Only piping from the vent kit to the furnace will need to be provided separately. Models are available for 2", 3" or 4" intake/vent systems.

Low profile

The low profile of the HVENT series product creates a neat look for the vent connection. The simple and clean looking vent hides both the intake and exhaust pipework. Models are available for 2" or 3" vent systems.

TRUESTART® IGNITION ACCESSORIES cont'd

TrueStart® Flame Sensors

TrueStart® flame sensors are a direct replacement for Carrier/BDP flame sensors, cross reference part numbers are detailed in the item descriptions. TrueStart® flame sensors are not manufactured by Carrier Corporation.

CATALOG NO.	DESCRIPTION	UOM	ORDER MULTIPLE
900-3	TrueStart™ FLAME SENSOR replaces Carrier® LH33WZ516	EA	1
900-4	TrueStart™ FLAME SENSOR replaces Carrier® LH33WZ517	EA	1
900-5	TrueStart™ FLAME SENSOR replaces Carrier® LH33WZ518	EA	1
900-6	TrueStart™ FLAME SENSOR replaces Carrier® LH33WZ520	EA	1

TrueStart® Spark Electrode

Replacement pilots and accessories for selected Carrier/BDP units. Full 2 year warranty. Made in America.

HVENT-2	Horizontal Termination Kit - 2 inch	EA	6
HVENT-3	Horizontal Termination Kit - 3 inch	EA	6

CARBON MONOXIDE & SMOKE ALARMS

Carbon Monoxide Alarms

- 10 year sealed batteries provide continuous protection
- Microprocessor intelligence combined with electrochemical sensor virtually eliminates nuisance alarms
- Red LED indicates the status of power and CO
- Table top (free standing) or wall mounted. Mounting hardware included.
- Exceeds industry standards, ETL listed to UL Standard UL 2034 and California State Fire Marshal approved.
- 10 year limited warranty on both battery and alarm

CATALOG NO.	DESCRIPTION	UOM	ORDER MULTIPLE
CM-1000	Carbon Monoxide Smart Alarm	EA	1

Combination Carbon Monoxide and Smoke Alarms

- 3-in-1 alarm provides triple the protection with a single installation to protect against fires, carbon monoxide and natural gas
- 120-volt AC/DC hardwired alarm with backup battery is suitable for houses, apartments and mobile homes
- Mount the bracket to any standard wiring junction box and use the large mounting base to cover imperfections in drywall
- Features a quick activation pull-tab and a front-loading battery drawer for replacement without removing the alarm from the bracket
- Comes with a 7 year limited warranty
