

Thread Cutting Oil Family

For the Best Job, Choose the Best Oil

RIDGID® Thread Cutting Oil

- Cools threads and pipe during operation.
- Speeds metal removal.
- Improves thread quality.
- Reduces threading torque.
- Free of chlorine and other halogens, PCB's and heavy metals.

NEW Endura-Clear™ is specially formulated to maximize wear resistance which increases die life up to 60% and significantly cuts operating costs up to 30% over Nu-Clear. The formulation has been tested to assure chemical compatibility with FlowGuard Gold®, BlazeMaster®, and Corzan® pipe and fittings and has been added to the FBC™ System Compatible Program†.

†FBC™ System Compatible indicates that this product has been tested and is monitored on an ongoing basis to assure its chemical compatibility with FlowGuard Gold®, BlazeMaster® and Corzan® pipe and fittings.
