Adjustable 3 N 1® Rain Collars

- Can be used to repair the elastomer sealing collar on all types of residential "no caulk" roof vent flashings quickly and easily
- Eliminates the need for a mastic or caulking type messy repair job
- Can be used to instantly repair a leak during a wet period, until the flashing can be replaced at a later time
- Large size covers the entire existing elastomer collar
- Fully tested for ultraviolet, ozone and weather resistance
- Individual sizes and multi-size adjustable models available
- Better appearance than a mastic repair job, which means a more satisfied customer
