

Wey-TEK™

Refrigerant Charging Scale

OUTSTANDING DURABILITY AND THE BEST ACCURACY AVAILABLE IN A 220 LB. SCALE

The Wey-TEK Refrigerant Charging Scale continues to set new standards in affordability and accuracy with a higher weight capacity—220 lb., twice that of many other scales—at a competitive price. With Wey-TEK, you can easily weigh and charge from the same large platform.

Wey-TEK is very easy to use. Its high-accuracy load cell gives the correct reading every time (no matter where the cylinder is on the weighing platform), and you can read its large LCD display at a distance, even in direct sunlight.

A high-performance necessity for your service kit, Wey-TEK makes an excellent companion to the D-TEK Select, Compass or TEK-Mate Refrigerant Leak Detectors.

SPECIFICATIONS

Base unit includes	Weighing platform, control handpiece, communication cable, one 9V battery, plastic carrying case.
Weighing capacity	220 lb. (100 kg)
Accuracy	±0.25 oz. (10 g)
