

Javelin™

Urinal Treatment

Javelin™ Urinal Treatment is a drain opener and maintainer designed to tackle urinal drain blockages and restrictions. Urinal drains are subject to repeated build-ups of uric salt which form hard and difficult to remove deposits inside drain lines, resulting in blockages and foul odors. Javelin™ Urinal Treatment dissolves the uric salt build-up, eliminating the time consuming work of mechanically removing these deposits, keeping urinal drains open and eliminating nasty odors.

FEATURES

RESTORES AND MAINTAINS URINAL DRAIN FLOW

Quickly breaks down hard, uric salt deposits.

SAVES LABOR COST AND TIME

Eliminates the need for urinal removal and mechanical drain opening.

ELIMINATES FOUL ODORS

Destroys the source of urinal odors.

PREVENTS FUTURE BUILDUPS

Leaves behind a protective, non-stick coating which prevents restrictions from forming. Javelin™ Urinal Treatment clings to the pipes and urinal bowls.

PRODUCT APPLICATION

- Urinal drains – use to restore and maintain drain flow and eliminate foul odors.

SPECIFICATIONS

Physical Form: Liquid

Color: Blue

Odor: Acidic

pH: < 1.0

Specific Gravity: 1.10

wt/gal: 9.16

Flash Point: Not Applicable

Shelf Life: One Year Minimum

VOC Content: Not Applicable

D.O.T. Shipping Label: See SDS

For more information see product label.

PACKAGING

Javelin™ Urinal Treatment is available in the following packaging options:

- 1 Quart Bottle (6 per case) 1502617
