

Abrasive Products

Nylon Abrasive Grit Hand Pads

Clean-Fit Hand Pads are offered with different abrasives, grit size and backing material for a broad range of applications including heavy-duty cleaning, finishing and light polishing. These pads are very durable and waterproof, so they can be used wet or dry. They will not rust and are an excellent alternative to steel wool.

Maroon Hand Pad, Aluminum Oxide Fine - Commercial-quality hand pad for aggressive cleaning and deburring. Ideal for general cleaning where a fast initial cut is desired. Made from non-woven nylon webbing impregnated with a very fine grit abrasive. This pad is stronger, more resilient and resists tearing or snagging. Easily washed or rinsed, can be used wet or dry. These pads are "solvent resistant." Ideal for cleaning copper tubing before brazing. Catalog #70198.

Black Hand Pad, Silicon Carbide Fine - Extremely resilient and conformable to irregular surfaces. Ideal for general purpose applications, including removing rust and oxidation from metals, blending around solder joints, cleaning molds and satin-finish aluminum. Completely waterproof. Catalog #70186, #70185.

Maroon General-Purpose Pad - Aluminum Oxide Very Fine - A heavy backing provides aggressive cutting action and long life. Coated surface is an economical alternative to our fine-quality pad. Ideal for satin finishing, stainless steel finishes, scuffing surfaces prior to applying adhesives, and removing rust, corrosion and oxides. Completely waterproof. Catalog #70181, #70199.

| Cat # | Description | Color | Grit | Std. Pkg. | Wgt./Pkg. |

Blue Monster Contractor Grade Abrasives

2" Width – 33% wider than traditional plumbers' rolls and 100% waterproof.

Blue Monster premium open mesh and Ultra-Flex® abrasive cloth are revolutionary, high-performance abrasives that are tough! Blue Monster outlasts all others in the most demanding conditions, wet or dry. Blue Monster's wide design provides more surface-to-surface coverage making it easier and faster to prep large-diameter tube and fittings.

| Cat # | Description | Std. Pkg. | Wgt./Pkg. |
|--------------------------------|--------------------------|-----------|------------|
| Blue Monster Open Mesh | | | |
| 70151 | 2" x 8" mini strips (10) | 10 | 1.70 lbs. |
| 70152 | 2" x 5 yard roll | 12 | 7.00 lbs. |
| 70154 | 2" x 10 yard roll | 12 | 11.00 lbs. |
| 70156 | 2" x 25 yard roll | 12 | 22.00 lbs. |
| Blue Monster Ultra-Flex | | | |
| 70171 | 2" x 8" mini strips (10) | 10 | 1.85 lbs. |
| 70172 | 2" x 5 yard roll | 12 | 5.00 lbs. |
| 70174 | 2" x 10 yard roll | 12 | 9.00 lbs. |
| 70176 | 2" x 25 yard roll | 12 | 20.00 lbs. |

Aluminum Oxide Open Mesh Abrasive

Premium

- 21 x 21 Mesh – Has larger holes than other open mesh products. This feature prevents "loading" and allows contractors to rinse the mesh clean. Resists clogging even when used on softer materials.
- Premium blended 165 grit white Aluminum Oxide cuts and scores surfaces faster for more effective cleaning and deburring.

Ultra-Flex® Abrasive Cloth

Premium

- Super flexible Ultra-Flex® backing conforms to tight work areas and Blue Monster will not crack or tear during use.
- Premium 150 grit cuts and scores surfaces faster for more effective cleaning and deburring.
