

LOW VOC DEGREASING SOLVENT

- Removes grease and oil
- Blasts away deposits
- No chlorinated or fluorinated solvents
- Contains no lead, phosphorous or silicone
- Meets or exceeds California VOC limits

Description

This highly concentrated solvent blend provides maximum cleaning performance without the use of ozone depleters or chlorinated solvents. Powerful blasting spray easily removes grease, oily dirt and contaminants on air conditioning and refrigeration compressors, tools and parts. Excellent metal parts cleaner, and its formulation meets or exceeds the 1/1/97 VOC requirements for California.

Application

Allow solvent to remain in contact for thirty seconds to one minute and then wipe or air dry. Repeat as necessary to achieve desired results. Extra heavy deposits may require brushing. Check to be sure object(s) are compatible with the solvent before using. NOTE: This product is nonflammable and non-conductive and can therefore be used while equipment is operating.
