E-Z Clean Abrasive Sandcloth

aluminum oxide, water resistant, 120 grit

E-Z Clean Abrasive Sandcloth is a flexible yet strong cotton fabric combined with a tough, hard aluminum oxide abrasive—120 grit to provide faster cleaning. Two layers of a special adhesive and water resistant resin make a plumber's roll that provides consistently stronger solder joints.

1-1/2" x 2 yards in hang tab box in display pack	095005 095005-D	078864 950052 078864 950052	12 12	2 2
