BLACK MAMBA®

Can your glove
do this?

BLACK MAMBA GLOVES... were created in response to repeated demands from customers needing a disposable glove that was tough enough to withstand the tasks their jobs require. No longer will you have to change your glove multiple times due to ripping or tearing. For gloves built for your tough tasks...it has to be **Black Mamba Gloves**.

FEATURE: Patented NITREX® Polymer

BENEFIT: Superior strength and tear resistance.

FEATURE: Two-Ply Fusion Strength

BENEFIT: Our unique process fuses an added polymer to facilitate donning and comfort.

FEATURE: Chemical Protection

BENEFIT: 3 times the chemical resistance of latex or vinyl.

FEATURE: Made to Grip, Not to Slip

BENEFIT: Fully textured with Grip Rite finish, Mamba gloves provide the precise contact when tactile sensitivity is a must.
