

**PROTECH MISCELLANEOUS CHEMICALS AND SPECIALTY PRODUCTS**

**Degreasing Solvent**

- Controlled evaporation is ideal for use in dip tanks
- Cleans electric motors, machine parts, coils, switches, breakers and other components
- Will not harm most electrical insulation
- Leaves no residue

PART NO	DESCRIPTION	CASE QUANTITY	CASE REQUIRED	DIRECT SHIP ITEM
85-ES01	PROTECH Degreasing Solvent Can - 1 gallon	6	Yes	—

**High Pressure Solvent Cleaner**

An easy to use high velocity aerosol. Blasting action and powerful solvents loosens and removes grease and grime. Excellent for cleaning refrigeration condensers, electric equipment, and motors.

- Evaporates quickly and leaves no film
- Ideal for use where water cleanup is difficult
- Non-flammable
- Non-conductive; dielectric strength of 32,000 volts

PART NO	DESCRIPTION	CASE QUANTITY	CASE REQUIRED	DIRECT SHIP ITEM
85-4101	PROTECH High Pressure Solvent Cleaner Aerosol - 18 oz.	12	Yes	—

**Nickel Safe Ice Machine Cleaner**

- Removes slime and scale build-up and restores efficiency of ice machines
- Fast acting, non-foaming
- Nickel and stainless steel safe; meets Manitowoc spec. GES-6 for ice machine cleaner
- All food-grade ingredients

PART NO	DESCRIPTION	CASE QUANTITY	CASE REQUIRED	DIRECT SHIP ITEM
85-301	PROTECH Ice Machine Cleaner Bottle - 1 gallon	4	Yes	—
85-316	PROTECH Ice Machine Cleaner Bottle - 16 oz.	12	Yes	—

**Nu Line Condensate Drain Line Build-up Remover**

Penetrates the slime to coat the walls of the drain line helping the slime to break up, detach from the drain and slide out. It leaves a coating on the walls of the pipe to help prevent new slime from attaching to it for up to three months. Biodegradable and non-corrosive; will not harm metal drain pans.

PART NO	DESCRIPTION	CASE QUANTITY	CASE REQUIRED	DIRECT SHIP ITEM
85-NL1-8	Nu Line Condensate Drain Line Build-up Remover - 8 oz.	24	Yes	—
85-NL2-32	Nu Line Condensate Drain Line Build-up Remover - 32 oz.	12	Yes	—

**Gas Leak Detector**

- Detects small and large leaks from pressurized gas systems (bubble-type leak detector)
- Applies directly to the suspected leak location
- Clings to vertical surfaces and the underside surfaces of pipes and tubes
- Rated for use to 27°F

PART NO	DESCRIPTION	CASE QUANTITY	CASE REQUIRED	DIRECT SHIP ITEM
85-B32	PROTECH Gas Leak Detector Spray Bottle - 32 oz.	12	Yes	—
85-B01	PROTECH Gas Leak Detector Bottle - 1 gallon	4	Yes	—

**Fluorescent Leak Detector**

- Detects small and large leaks from pressurized gas systems (bubble-type leak detector)
- Bubbles are fluorescent under UV
- Applies directly to the suspected leak location
- Clings to vertical surfaces and the underside surfaces of pipes and tubes
- Rated for use to 0°F

PART NO	DESCRIPTION	CASE QUANTITY	CASE REQUIRED	DIRECT SHIP ITEM
85-24	PROTECH Fluorescent Leak Detector Bottle - 8 oz.	24	Yes	—
