

PEX-One Battery Crimp Tool

NEW

PEX-ONE BATTERY OPERATED PEX TOOL

The newest addition to the RIDGID Crimp Tool line, the PEX-One Battery Operated Crimp Tool incorporates a design that is light and compact. With its one-handed operation, the PEX-One tool makes connections easier – especially in the most difficult locations. It comes with quick, interchangeable $\frac{1}{2}$ ", $\frac{3}{4}$ " and 1" PureFlow® or ASTM F1807 dies.

- Lightweight – 5 lbs.
- One tool for three sizes of PEX.
- One-handed operation for fast, easy connections.
- Minimal hand force required, operates at the pull of the trigger.
- Fits in tight spaces.
- High quality work bag designed for the PEX-One Tool, accessories and fittings.
