

# QUICK-ADJUSTING TONGUE & GROOVE PLIERS

Don't play the guessing game. These pliers' Quick-Adjusting V-Jaw allows for a precise adjustment with just a push of a button. So now it's quicker and easier to loosen, tighten or grip hex, square and round fasteners or pipe.

## Simple Sizing

A push button allows for quick adjustments while multiple grooves guarantee precise positioning.

## Comfortable Grip

Over-molded handle reduces hand fatigue and won't slip or twist.

## Strong Hold

Machined jaws increase grip on the material every time.
