

"The Tech Pac allows me to keep all my tools exactly where I need them. From my meters to BX stripper, everything has its place, and an added bonus is having 2 free hands for other materials. Less time back and forth to the truck = more time working and more profit at the end of the day."

The Veto Pro Pac Tech Series offers technicians a better way to organize their tools and increase work efficiency.

Whether you're working on a small job that requires just a few tools, or a large job that's got you walking long distances or lugging all your tools up a ladder, this system of bags is designed to work together to solve any jobsite challenges technicians might face.

TECH-XL

TECH-LC

53 TIERED POCKETS // **6** ZIPPERED POCKETS

H: 19" x **L:** 13.5" x **W:** 9.5"

This weatherproof, medium-sized service technician's tool bag organizes, stores and protects hand tools, meters, a cordless drill and accessories, making service time quicker and efficient.

TECH-XL

80 TIERED POCKETS // **14** NEOPRENE POCKETS

H: 20.75" x **L:** 16.5" x **W:** 9.5"

Built for work and built to last, this is the service technician's version of the award-winning VETO PRO PAC XL tool bag. The TECH-XL features 80 pockets and plenty of space for hand tools, parts boxes, meters, a cordless impact drill and more.

"I have had many tool bags during the past 22 years, but the Tech LC bag is by far the best tool bag I have ever owned. It takes a beating, and I love the vertical tool storage. I always recommend this tool bag to guys in my trade"
